Mapa wykonana pod projekt drogi gminnej.

The map displays a proposed road layout within a specific area. Key features include:

- Contour Lines:** Brown lines representing elevation, with values ranging from 635.0 to 682.10.
- Elevation Points:** Numerous numerical points indicating specific elevations across the terrain.
- Proposed Road:** A dashed line indicating the planned road route, with various engineering annotations like '2266/60', '2362/1', '2051', '2052', '2053', '2054/2', '2054/1', '2055', '2056', '2057',
